

AMERICAN GIRL WEDS GENERAL

(By United Press.)

With the French Armies Afraid, Nov. 5.—The famous French Foreign Legion, in which a score of Americans, including Captain Sartoris, grandson of General Grant, are still fighting, has just been awarded by General Petain the supreme recompense of the Legion of Honor. It is the highest honor that a French regiment or division can obtain.

In the case of the Foreign Legion the distinction is all the more noteworthy owing to the fact that the Legion has won all of the intervening grades and distinctions since the beginning of the war. Its banner has already been decorated with the Croix de Guerre. The members of the regiment have also won the honor of wearing the famous fourragere in the green and yellow colors of the Military Medal, while the regiment itself has won six citations to the order of the day.

GRANDMA NEVER LET HER HAIR GET GRAY

She Kept Her Locks Dark and
Glossy, with Sage Tea
and Sulphur.

When you darken your hair with Sage Tea and Sulphur, no one can tell, because it's done so naturally, so evenly. Preparing this mixture, though, at home is messy and troublesome. For 50 cents you can buy at any drug store the ready-to-use preparation, improved by the addition of other ingredients, called "Wyeth's Sage and Sulphur Compound." You just dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time. By morning all gray hair disappears, and, after another application or two, your hair becomes beautifully darkened, glossy and luxuriant.

Gray, faded hair, though no disgrace, is a sign of old age, and as we all desire a youthful and attractive appearance, get busy at once with Wyeth's Sage and Sulphur Compound and look years younger. This ready-to-use preparation is a delightful toilet requisite and not a medicine. It is not intended for the cure, mitigation or prevention of disease.

WORK FOR THE LIBERTY LOAN

A \$50. Liberty Bond Is Better Than a \$50.

Bill. It Earns Interest, While The
Bill Does Not

Isn't it strange that one has to argue to get persons to take Liberty Bonds? Quite as strange as that one has to argue to get persons to take life insurance.

The mental processes are very similar. Each is a duty, each SHOULD BE a pleasure. Each is insurance. One to preserve the home, the other to preserve the nation and the home. What good is your home if your nation is lost? ASK BEGIUM.

What good are your securities if your armies are defeated? You don't have to ask anyone about that. You KNOW! Every mother's son of us MUST become vitally interested in the successful issue of these bonds. No one, however lowly, will escape the consequences of defeat.

LIBERTY BONDS form the bulwark that stands between the country and the loss of all that AMERICANS hold dear. LIBERTY BONDS are the bulwark back of the boys at the front, those who are already there, and those who are going to go. If the bulwark fails, conjure your imagination to picture the awfulness of the calamity! Maybe you can't lend yourself, but you can lend your money. Your son, or other people's sons are "Over there," fighting so that you and your children and your children's children may enjoy life, liberty and the pursuit of happiness. Money is as necessary as men to win this war. You are not asked to give money—LOAN IT—at four per cent interest—with the strongest security in the world behind the bonds you get—the guarantee of the Government of the United States.

Our local banks have been given an allotment of seventy-five thousand dollars worth of these bonds and it is up to the people of this community to see that every dollar is subscribed. I am co-operating with the banks and will be glad to give you any information you may desire on the subject.

Bond Sales close at midnight, October 27th.

Let every man do his "bit".
